

# Warranty Policy

SupportOps Demo Company • Version 1.0 • Last updated 2024-04-10

## 1. Coverage

Electronics are covered for 24 months from the purchase date against manufacturing defects.

Accessories are covered for 12 months from the purchase date.

## 2. Exclusions

Warranty coverage does not normally include accidental damage, cosmetic wear, liquid damage, or unauthorized modifications.

## 3. Support Workflow

The assistant may explain warranty terms and collect relevant order information.

Warranty claims that require replacement, repair, or credit should create a support case for human review.
